Dareu LM135D Wireless Mouse Blue

Ref: 6950589917029

Dareu LM135D Wireless Mouse (blue)

Dareu LM135D is a practical wireless mouse that combines performance with ergonomic design. With it, office work and entertainment will become even more comfortable. What's more, the 2.4G and Bluetooth connection ensures reliable, stable transmission and unparalleled freedom when using the computer.

Two connectivity options

The Dareu LM135D mouse offers two connectivity options: 2.4G and Bluetooth. The 2.4G connection provides a reporting frequency of 250 Hz, which guarantees fast and stable data transfer, ideal for dynamic gaming. Bluetooth, on the other hand, with a reporting frequency of 115 Hz, will be perfect for everyday office work.

Ergonomic design and comfort of use

The device weighs only about 69 g, and its dimensions are 98 x 62 x 37 mm. This makes it extremely handy and comfortable to use. In addition, its ergonomic shape fits perfectly in the hand, reducing fatigue even during prolonged use. Forget about wrist pain and discomfort!

Exceptional precision and speed

The LM135D is equipped with a sensor with a tracking speed of 28 IPS and a resolution of 1200 DPI, which ensures precise and smooth operation in almost any situation. This makes the mouse ideal for both demanding games and precise graphic design or editing work.

Long working time

The LM135D mouse has a built-in 300 mAh battery that provides up to 35 hours of use on a single charge. Don't be afraid that the device will refuse to serve you too quickly! What's more, to charge it, just use the included USB-A to USB-C cable - it will only take about 2 hours.

Wide compatibility

The product is compatible with many operating systems, including Windows XP, 7, 8 and 10, macOS and Android. This means you can use it seamlessly with many computers, laptops, tablets and even smartphones from well-known brands. Whether you are an avid gamer or need a reliable mouse for office work, the Dareu LM135D will not let you down!
