Dareu EK98 Pro Mechanical Keyboard Red Switch Black-golden

Dareu EK98 Pro Wireless Keyboard, Red Switch (black and gold)

Dareu EK98 Pro is a versatile mechanical keyboard designed for demanding users. Its ergonomic design and advanced features make it ideal for both office work and gaming. It is equipped with 97 keys and offers 3 connectivity modes - 2.4G, Bluetooth and wired connection. It is also distinguished by its colorful backlighting and long working time.

Several connectivity options

Dareu EK98 Pro allows you to choose between 2.4G, Bluetooth and wired connection. Whichever option you choose, you can enjoy stable and fast transmission - say goodbye to delays and other signal problems. What's more, in Bluetooth mode, the keyboard allows you to connect up to three devices simultaneously and switch freely between them.

Precise mechanical switches

Thanks to the high-quality Red Switch mechanical switches, the keyboard offers smooth and fast operation. You will successfully use it not only for typing, but also for dynamic games. In addition, the N-Key rollover function allows you to press multiple keys simultaneously without the risk of conflict, so you can easily perform even the most complex combinations of attacks during gameplay. Gain the upper hand right from the start and score a series of great victories!

Long wireless operation time

With a built-in 4,000 mAh battery, the EK98 Pro keyboard can run for up to 96 hours with the backlight off, or up to 32 hours if you turn it on. This allows you to use its capabilities for a long time without the need for frequent charging. It only takes about 7.5 hours to charge the device. And if you don't want to worry about the battery, just connect the keyboard with a cable!

Durability and comfort of use

The keyboard keys are made of high-quality PBT material, which ensures durability and abrasion resistance. Moreover, the ergonomic design of the keycaps allows you to enjoy long-lasting comfort during gameplay. The lifespan of the EK98 Pro model's switches reaches up to 50 million presses, so you don't have to worry about their rapid wear and tear. You'll also find a key puller and additional keycaps included, making it easy to personalize the keyboard and replace individual components.

Striking RGB backlighting

The Dareu EK98 Pro features striking RGB backlighting with 13 different modes to choose from. So you can customize its appearance according to your preferences. Ensure a unique atmosphere in your gaming corner and provide even more excitement during games!

Wide compatibility

Dareu EK98 Pro keyboard is compatible with Windows XP, 7, 8, 10, 11 and macOS operating systems. So you can easily connect it to a wide variety of devices, such as laptops and computers. Forget about limitations and enjoy every new game!
