

## MINI PC Beelink SEi12 Intel Corei5 - 12450H 16GB RAM + 500GB

Ref: 0810131895358

MINI PC Beelink SEi12 Intel Corei5 - 12450H 16GB RAM + 500GB Blue

MINI PC Beelink SEi12 Intel Corei5 - 12450H 16GB RAM + 500GB blue

The Beelink SEi12 Mini PC is an advanced, compact device that offers exceptional performance and functionality. Equipped with a 12th-generation Intel Core i5 processor, plenty of RAM and a fast SSD, this mini PC is ideal for both work and entertainment. With a stylish black and blue chassis measuring 113 x 125 x 42 mm, the computer fits perfectly into any desk. It also comes with a wall mount, with which you will save extra space.

### Powerful processor

The Beelink SEi12 features an Intel Core i5-12450H processor with eight cores and twelve threads. With a base frequency of 3.3GHz and a maximum turbo frequency of 4.4GHz, it provides outstanding performance for fast processing and smooth operation of demanding applications. The Beelink SEi12 will be perfect for office, design, editing and rendering applications, providing smooth performance even when running demanding programs.

### High-quality graphics

Integrated Intel UHD graphics for 12th generation processors with a maximum dynamic frequency of 1.2 GHz offer excellent image quality. This enables 4K multimedia and smooth operation of games and graphics applications. Thanks to its advanced architecture, the processor performs video encoding much faster than previous models, as confirmed by performance tests.

#### Flexible memory and storage

The Beelink SEi12 Mini PC is equipped with 16 GB of DDR4 RAM (2 x 8 GB) expandable up to 64 GB, ensuring fast and stable system operation. A 500GB M.2 NVMe PCIe 4.0 SSD offers fast data access and expandability up to 2TB. In addition, the device supports external 2.5" SATA III hard drives of up to 2TB.

#### Efficient cooling

The Beelink SEi12 is equipped with dual heat pipes and a quiet CPU fan and system fan for efficient cooling. As a result, the computer runs quietly and stably, even under heavy load.

#### Multi-display support and connectivity

The device supports 4K video output for two displays simultaneously thanks to HDMI and DisplayPort connectors. This is ideal for users who require an extended desktop for multitasking and multimedia applications. The Beelink SEi12 Mini PC also supports WiFi 6 and Bluetooth 5.2 technology for fast and stable Internet connections and easy pairing with peripherals.

#### Audio

The device offers multi-channel audio output via HDMI or DisplayPort for an excellent audio experience when watching movies or using multimedia applications.

#### Included

SEi12 12450H

User manual

Wall mount

HDMI cable

Power adapter

#### Name

SEi12 Intel Corei5 - 12450H 16GB RAM + 500GB Blue

#### Manufacturer

Beelink

#### Model

SEi12 12450H

#### EAN

0810131895358

#### Processor

Intel Core i5-12450H processor

#### Number of cores

8C

#### Number of threads

12T

#### Maximum frequency

4.4G

#### RAM type (DDR)

DDR4 3200MHz Slot

#### RAM capacity

16G

#### Maximum RAM memory capacity

64G

SSD Type

System Disk M.2 NVMe SSD 2280

SSD capacity

SSD 500G/1TB

Maximum capacity of SSD

2TB

Integrated graphics chip

Intel® UHD Graphics 48EUs 1.2GHz

Ports

HDMI 2.0 (Max 4K 60Hz) x 1 DP 1.4 (Max 4K 144Hz) x 1 USB3.2 Gen2 10Gbps x 2 USB2.0 (480Mbps) x 2 RJ45 1000M x 1 USB-C (Data) x 1

Operating system

No system

Cooling system

CPU cooling fan, system fan provides cooling for SSD, RAM and motherboard

Mounting

Wall bracket x 1

Power supply

19V/5.26A power supply
