

Naturehike Wind Mini multifunctional pump CNK2300DQ022 grey

Ref: 6976507665971

Naturehike Wind Mini multifunctional pump CNK2300DQ022 grey

Naturehike Wind Mini Multifunctional Pump CNK2300DQ022 (gray).

The Naturehike Wind Mini multi-functional pump will become an indispensable companion for any expedition. Despite its compact and lightweight design, the device combines pumping, fire-starting and lighting functions, so it will meet any challenge on outdoor adventures. Whether you're planning a camping, camping or relaxing by the water, the Naturehike Wind Mini will give you the convenience and reliability you need.

Light wherever you are

The Naturehike device offers a light with three levels of brightness, which will be perfect as a source of light during nighttime adventures. Thanks to the built-in hook, the product can be easily hung in a tent, making it the perfect camping companion.

Fast charging, long lasting performance

The USB-C port allows for fast and convenient charging that provides up to 25 minutes of continuous use. The charge indicator lets you know the current state of the battery, so you'll always be ready for the next challenge.

Impressive efficiency

Despite its small size, the Naturehike Wind Mini pump offers impressive power. The device can inflate up to 75 pillows or 38 mattresses

on a single charge, making it indispensable for camping and longer nature outings. It takes just 20 seconds to inflate a pillow and 40 seconds to inflate a mattress. Thanks to the two-way port, it is also possible to pump out the air.

Multifunctionality

The inflator can be used not only to inflate objects, but also as a tool for starting a fire. A powerful stream of air allows you to quickly and efficiently light a campfire.

A variety of tips included

The kit comes with five different tips, which allow you to use the device in a versatile way. With them you can inflate a variety of objects - from balloons to mattresses. The tips include: a long funnel tip, a short tip, silicone air nozzles, a wide tip and a long air tip.

Included:

Multifunctional pump
Lamp shade
Hook
Carrying pouch
Tip (long funnel tip, short tip, silicone air nozzles, wide tip, long air tip) x5

Manufacturer Naturehike
Model CNK2300DQ022
Charging time \leq 3 hours
Operating time 25 minutes (pump), 4.5/6/14 hours (lamp)
Air pressure value Inflation 4.5kPa / Deflation 5kPa (180L/min)
Input 5V/1A
Rated power 5W
Luminous flux 60/160/300 lm
Dimensions 47 x 60 mm
Weight 102 g (pump), 36 g (lamp shade)
Material ABS, PP, iron, silicone
