Esperanza Aruba Shaver EBG003V (purple)

The Esperanza Aruba women's shaver is a reliable tool that was designed specifically with your needs in mind. Powered by two AA batteries, this versatile shaver will work well for both daily grooming at home and on the go, giving you smooth skin without unpleasant pain.

2-in-1: Shaver and dual trimmer for perfect results

Esperanza Aruba EBG003V is not only a shaver, but also a double trimmer. This allows you to precisely and efficiently remove the shortest unwanted hairs, achieving smoothness without much effort. What's more, the movable shaving head adapts to the contours of your body, ensuring comfort and efficiency when shaving, even in hard-to-reach areas.

Ready for anything

Esperanza's shaver is splash-proof, which means you can use it even while taking a bath. It's the perfect opportunity to use your shower time for comprehensive grooming! This makes even the busiest mornings or evenings an opportunity to take a moment for yourself, allowing you to groom yourself without rushing and stress.
