Teclast Tablet P30T Kids 10.1" 4/64 GB WIFI (blue)

Ref: 6940709686416

Teclast P30T Kids tablet 10.1" 4/64 GB WIFI (blue)

The Teclast P30T Kids tablet is an ideal solution for the youngest users, combining modern technology with an attractive design. It features a 10.1" IPS screen, Octa-Core processor, 4 GB RAM and 64 GB of internal memory expandable up to 1 TB. As a result, your child will enjoy smooth operation and freely use applications, games and multimedia. In addition, the device provides up to 15 hours of operation on a single charge and runs on Android 14, with 3D elements such as dinosaurs and flowers adding to the visual appeal.

### Safe use

With Teclast, you provide your little one with a safe form of play and education. The P30T Kids tablet is equipped with a certified eco-friendly silicone case that is soft to the touch and features a non-slip surface. The case is also odorless and non-toxic, and with additional features such as drop protection and special lanyard holes, the device is durable and comfortable to use. In addition, the 360° rotatable stand allows you to position it at any angle.

### Educational features with TKids Space

The TKids app is a hub of educational content, games and activities that help children develop skills through interactive lessons, puzzles, stories and more. The tablet offers Google Family Link parental mode, allowing you to monitor your little ones' activities, manage apps and set time limits. This allows caregivers to have full control over what their kids are doing. TKids Space also offers personalized themes

and wallpapers that can be customized to the user's liking.

#### Performance at the highest level

The device is powered by an Octa-Core Allwinner A523 processor and Mali-G57 graphics for smooth and responsive performance. As a result, the Teclast P30T Kids will work well for children who use demanding educational applications and interactive games. The tablet provides fast access to all functions without stutters and lags.

#### Expandable memory

The P30T Kids offers 4GB of RAM and 64GB of internal memory, expandable up to 1TB with a MicroSD card. This gives kids plenty of space for their favorite apps, games, photos and videos.

#### High quality sound

The Teclast P30T Kids tablet is equipped with two sets of external PureSound speakers and a digital amplification chip for high sound quality. With a built-in 3.5mm headphone jack, kids can enjoy their favorite music, movies and games without disturbing anyone.

#### Something for little photographers

With a 5 MP rear camera with dual AI system and a 2 MP front camera, kids can document their adventures and share them with family and friends. In addition, the tablet features a built-in LED flash to enhance the quality of photos and videos in adverse lighting conditions.

#### Reliable connectivity

The Teclast P30T Kids supports the latest Wi-Fi 6 standard, which provides lower latency compared to traditional Wi-Fi 5. In addition, with Bluetooth 5.4 with AAC and LDAC support, kids can enjoy high-quality audio when using wireless headphones and other devices.

#### Display modes for eye health

The Teclast P30T Kids tablet offers various display modes such as Eye Protection, Reading, Dim and Dark to protect eyesight during prolonged use and help reduce eye fatigue.
