

## Battery Anti-release Clip SUNNYLIFE for DJI Avata 2

Battery Anti-release Clip SUNNYLIFE for DJI Avata 2

Ref: 5906168436345

SUNNYLIFE battery protection clip for DJI Avata 2

Looking for reliable protection for the battery of your DJI Avata 2 drone? The battery securing clip from Sunnlylife is the solution that will guarantee you peace of mind during flights and transportation. Thanks to its precise fit, the clip provides a stable hold on the battery, eliminating the risk of it accidentally slipping out during dynamic maneuvers or crashes. It does not block access to the power button or led charge indicators, and the clip's convenient one-handed spring-loaded opening makes battery removal and installation extremely easy and fast.
