Acefast D25 car grille mount (black)

Looking for a mount that will keep your smartphone stable and safe while driving? The Acefast D25 car phone holder is the perfect solution for any trip! The manufacturer Acefast D25 was created from ABS and PC plastics, which guarantees its durability. It fits smartphones with a width of 60 to 95 mm (4.5 to 6.7 inches), making it a universal addition to your car.

Refined design

Installation on the air vents is quick and easy. In addition, the mount ensures stability even on uneven roads. For even more convenience and security, the Acefast D25 offers swivel and tilt adjustment, so you can easily adjust the visibility of the screen to suit your needs. In addition, special rubber elements protect your smartphone from scratches and keep it in place.
