Propeller Guard Protector SUNNYLIFE for DJI Avata 2 (orange)

SUNNYLIFE propeller guard for DJI Avata 2 (orange)

The Sunnlylife Propeller Guard for DJI Avata 2 is not only a protective item, but also a guarantee of your drone's safety even in the toughest conditions. Thanks to its unique design, it provides comprehensive protection during Turtle Mode, eliminating the risk of scratches and damage during landing. Made of resistant plastic, the cover effectively absorbs the force of shocks and impacts, so your Avata 2 will remain intact even during unforeseen events. Weighing only 10 grams, it will not significantly affect the performance or maneuverability of your drone, and its installation will not be a problem for you.
