Acefast J1 USB-A to USB-C Adapter (black)

The USB-A to USB-C Acefast J1 adapter is a high-quality product designed for convenient and reliable use of your devices. Thanks to its compact design and light weight, you can take it with you almost anywhere. It also allows you to charge your equipment and transfer files.

Charging and data transfer

Acefast J1 not only allows you to charge your devices, but also supports OTG function, which allows you to connect additional accessories. With a transmission speed of 5 GB, the adapter provides stable and fast data transmission without interference. Its wide compatibility makes it suitable for use with a wide range of devices both on a daily basis and on the go.
