

Multifunctional Adapter Mount SUNNYLIFE for DJI Avata 2

Ref: 5906168436406

Multifunctional Adapter Mount SUNNYLIFE for DJI Avata 2

SUNNYLIFE mounting adapter for DJI Avata 2

Want to expand the capabilities of your DJI Avata 2 drone and use it for even more impressive tasks? The mounting adapter from Sunnyslife is a key component that will allow you to explore new horizons in aerial photography and filming. With it, you can easily mount a variety of devices such as Action 2 camera, Insta360 Go 3 camera, Insta360 Go 2/1 camera and drone lights. You'll find a 1/4-inch adapter included, which allows you to directly mount devices equipped with a 1/4-inch thread. This will allow you to seamlessly mount additional accessories to help you get even better results. The sturdy mounting with screws provides stability and confidence that your devices will stay in place even during intense flight.

Included:

mounting adapter 1/4" mount screw wrench mounting screws x2
