SUNNYLIFE lens cover for Insta360 X4

The lens hood from Sunnlylife is the perfect solution to provide comprehensive protection for your Insta360 X4 camera, while allowing unobstructed access to all functions. It allows you to monitor the battery charge level in real time, without having to remove it. Its carefully considered design protects both the lens and the screen, effectively guarding against scratches, bumps and dust. Thanks to the hole at the bottom, you can easily connect an extension cable, tripod, bike mount or other accessories without sacrificing protection.
