

## MOFII Wireless Mouse M3DM Brown

MOFII Wireless Mouse M3DM Brown

Ref: 6950125749374

### MOFII M3DM Wireless Mouse (brown)

MOFII M3DM is a cute wireless mouse in the shape of a cat. It will be perfect for people who appreciate original design of devices. It will also be a suitable choice for children. It allows 3-stage resolution adjustment up to 1600 DPI and is very comfortable to use. The device connects to the computer in the 2.4G band and via Bluetooth 4.0, and only needs one AA battery (included) to power it.

### 3-stage DPI adjustment

The MOFII M3DM mouse is perfect for a variety of applications - you can successfully use it for casual Internet browsing, photo editing or even playing dynamic games. The device allows you to adjust the resolution in the range of 800 / 1200 / 1600 DPI, so you can easily adjust it to your habits. Ensure your dream speed and precision!

### Reliable wireless operation

The kit includes a small USB receiver that allows you to connect the mouse to your computer in the 2.4G band. You can also connect the M3DM model with a compatible device via Bluetooth 4.0. Enjoy fast, stable transmission and forget about delays! What's more, you'll only need one AA battery to power the device, which can provide a long runtime. Inside the mouse you will also find a practical compartment for convenient storage of the receiver - no more worrying about losing it!

### Delightful design

The M3DM model is also distinguished by its original design - the shape resembles an adorable cat. Thanks to this, it is sure to appeal to many users! The mouse also features an ergonomic design - it fits perfectly in the hand and does not strain the wrist. Noteworthy is also the quiet buttons of the device - you can freely use it at home, in a cafe or in the library, without worrying that you will disturb someone!
