

## IP Camera ZOSI C105 4 pcs WiFi 8MP + NVR 8ch + 2TB HDD

Ref: 6941709225865

IP Camera ZOSI C105 4 pcs WiFi 8MP + NVR 8ch + 2TB HDD

Set of four ZOSI C105 WiFi 8MP IP cameras + recorder + 2TB HDD.

The advanced surveillance system, which includes four ZOSI C105 cameras and a recorder, provides excellent image quality and reliable performance. With 8MP resolution, support for up to 8 channels and a 2TB hard drive, the set is an ideal solution for homes, stores, warehouses and other facilities requiring effective protection.

### Exceptional 4K HDR image quality

ZOSI C105 cameras capture images in 4K HDR resolution, providing clear and detailed recordings at any time of day or night. Thanks to the HDR feature, images are more dynamic and details are more visible even in difficult lighting conditions.

### Motion detection and effective alerts

The system is equipped with advanced intelligent motion detection, human silhouette recognition, and face and vehicle detection. As a result, any suspicious activity will be detected quickly, and you will receive an alert, which you can check in the mobile app. In addition, the cameras offer a light and sound alarm function, which effectively deters intruders.

### Reliable day and night operation

ZOSI C105 models support various modes of operation, including color night mode thanks to 12 LEDs and black and white night mode

with IR illumination with a range of up to 30 meters. Starlight technology enables the camera to record clear images even in very unfavorable lighting conditions.

#### Easy installation thanks to PoE technology

Installation of the ZOSI C105 system is simple and hassle-free thanks to PoE (Power over Ethernet) technology. One Ethernet cable is enough to transmit both data and power, greatly simplifying the installation process and reducing costs.

#### Versatility and robustness

ZOSI C105 cameras are weatherproof (IP66), allowing them to be used both indoors and outdoors. Their robust design ensures long-lasting and reliable operation in temperatures ranging from -10°C to 60°C.

#### Included:

IP camera ZOSI C105 x48-channel PoE recorder with 2TB hard drive  
18m Ethernet cable x4  
Ethernet cable 1m long  
48V 2A power adapter for the recorder  
USB mouse  
Allen wrench  
Mounting screws  
Mounting template x4  
Warning stickers x4  
User manual

Manufacturer ZOSI  
CAMERA Model C105  
Resolution 8MP  
Sensor type 1/2.5" Progressive Scan CMOS  
Shutter Adaptive shutter  
Lens 4.0mm @ F2.0, viewing angle 110°  
Lens interface type M12  
Minimum illumination 0 Lux (IR on)  
Day/night switching model IR filter  
IR/White illumination 12 IR LEDs + 12 white LEDs  
IR range 36m (total darkness), 48m (assisted illumination)  
Video compression standard H.265 Main Profile  
Video compression bitrate HD and SD modes, adaptive bitrate  
Audio compression standard G.711A  
Maximum video resolution 3840x2160 (8MP), dual-stream support  
Frame rate 20fps, adaptive  
Image settings Brightness, contrast, sharpness, saturation (adjustable by NVR, app)  
Detection Motion, human silhouette, face, vehicles  
Night modes Black and white, color, intelligent night mode  
Alarm Light, sound, light and sound, various alarm modes  
Installation angle Horizontal: 0-360°, Vertical: 0-75°  
Mobile detection Intelligent motion detection  
Noise reduction 3DBLC (Back Light Compensation)  
Yes  
Strong light suppression  
Tak  
Compatibility ONVIF  
Browser Tak  
Network interface 1 RJ45 10/100M port  
Power interface PoE 802.3af/at, DC12V  
Network indicator Tak  
Operating temperature -10°C to 60°C  
Operating humidity up to 95%  
Power supply PoE/DC 12V±10%  
Power consumption 8W MAX  
Degree of protection IP66 (water and dust resistant)  
RECORDER  
Video input 8 IP channels  
VGA output 1920x1080, 1280x1024, 1024x768  
Standard kompresji wideo H.265 Main Profile  
Video bitrate Up to 8Mbps  
Dual stream Support Synchronized playback  
4 channels  
Recording mode Manual, schedule, smart detection  
Backup mode Regular, event  
Disk type 1 SATA interface  
Network protocol IPv4, UPNP, DHCP, P2P, RTSP, NTP, SMTP  
Mobile application Android, iOS  
Email alert Support for sending screenshots with attachments  
Motion detection Sensitivity adjustment from 1 to 8 (default is 6)  
Push notification support Tak  
Network interface 1 RJ45 10/100/1000M port  
Audio output 3.5mm connector  
Power supply DC48V2A  
Power consumption ≤96W (without HDD)  
Operating humidity 10% to 90%  
Dimensions 300 x 228 x 45 mm
