

## Magnetic Wireless Charger MagFusion Aukey LC-MC10, 15W Qi2 (

Ref: 689323787036

Magnetic Wireless Charger MagFusion Aukey LC-MC10, 15W Qi2 (black)

MagFusion Aukey LC-MC10 magnetic charger, 15W Qi2 (black).

The MagFusion Aukey LC-MC10 charger is an advanced device that provides fast and reliable charging with Qi2 technology. With up to 15W of power, the device is able to quickly charge the latest iPhone models, including the iPhone 15 series, offering twice as fast charging compared to standard 7.5W chargers.

### Magnetic stability

Equipped with a powerful N52 magnet, the MagFusion charger ensures a secure and stable connection to your phone. Whether you're using your phone while charging or putting it down on a table, the magnet keeps your device in place, minimizing the risk of accidental disconnection.

### Elegant and durable design

The Aukey LC-MC10 charger combines elegance and durability thanks to its metal alloy casing and tempered glass surface. This design not only looks stylish, but also provides long-lasting durability to withstand daily use.

### Universal compatibility

The MagFusion charger is compatible with a wide range of devices. It supports iPhone 12-15 directly or with a magnetic case, as well as

older iPhone models and Android phones using an external magnetic ring. This allows you to use one charger for multiple devices.

#### Safety and security

The Aukey LC-MC10 is equipped with numerous protective features, including foreign object detection, temperature control, overcharge protection and radiation shielding. These advanced features ensure safe and reliable charging, protecting both the charger and the device from damage.

#### Convenience of use

With a slim design ( $\leq 3\text{mm}$  thick) and light weight (41.4g), the MagFusion charger is easy to carry and use in any situation. The USB-C power supply allows it to quickly and conveniently connect to various power sources, adding to its versatility and convenience.
