

USB-C to USB-C Cable Aukey, CB-TCC241, 240W, 0.8m (black)

Ref: 689323787456

USB-C to USB-C Cable Aukey, CB-TCC241, 240W, 0.8m (black)

Aukey USB-C to USB-C cable, CB-TCC241, 240W, 0.8m (black).

The Aukey CB-TCC241 cable is an advanced solution for anyone in need of fast charging and efficient data transfer. With up to 240W of power, it can instantly charge even the most demanding devices, such as laptops and tablets, minimizing charging time.

Data transfer speed

The Aukey CB-TCC241 cable offers data transfer speeds of up to 40 Gbps, allowing you to transfer large files in seconds. This is 8 times faster than traditional USB 3.0 cables, making it ideal for professionals and technology enthusiasts who need fast and reliable data transfer.

High resolution support

The cable supports high-definition display, enabling it to support single 8K screens at 60 Hz or dual 4K screens at 60 Hz. This allows you to enjoy crystal clear images on several monitors simultaneously. This is ideal for graphic designers, programmers and multimedia users.

Thunderbolt 3 compatibility

The product is fully compatible with Thunderbolt 3 technology, ensuring maximum performance for both Apple devices and devices with USB-C ports. It supports the latest iPhone, Samsung Galaxy, Google Pixel, iPad and MacBook models for versatility and convenience.

High-quality materials

The soft TPE material used for the cable provides flexibility and durability, while being environmentally friendly. Robust USB-C plugs guarantee a secure connection and longevity of the cable, even under heavy use.

Certified USB4 Gen 3 standard

The Aukey CB-TCC241 complies with the USB4 Gen 3 standard, ensuring reliable and high-performance connections. This certification confirms that the cable is able to meet the highest charging and data transfer requirements.
