TWS Aukey EP-M1S headphones (black)

Give yourself over to listening to your favorite playlist! The Aukey EP-M1S headphones provide up to 7 hours of uninterrupted music playback on a single charge, and with the charging case you can enjoy an additional 21 hours. A total of 28 hours of operation keeps your music with you all day long, no matter where you are.

Seamless connection

Bluetooth 5.1 technology provides a stable and fast connection to your devices, allowing you to listen to music and make calls seamlessly. The headphones automatically pair with your devices, eliminating the need for manual connection.

Fantastic sound quality

Sound clarity and deep bass are the hallmarks of Aukey headphones. The high-quality 10-millimeter driver with a PEEK + PU composite diaphragm provides excellent sound that allows you to fully immerse yourself in your favorite tunes.

Ergonomic design

The EP-M1S headphones feature a lightweight design, weighing just 4 grams each. The ergonomic design ensures comfortable wearing for long hours without feeling uncomfortable. This model also features a stylish design that makes them blend harmoniously with any

styling.

Weather resistance

With an IPX5 waterproof rating, the Aukey EP-M1S headphones are sweat and rain resistant, making them an ideal choice for active users. Regardless of the weather, you can enjoy your favorite music while running or working out.

Intuitive touch control

Simple touch controls allow you to easily manage your music and calls. You can play, pause, switch songs, answer and reject calls, and activate the voice assistant without reaching for your phone.
