

## Mcdodo CA-2830 OTG 2in1 Converter USB-C do USB-C + USB-A

Ref: 6921002628303

Mcdodo CA-2830 OTG 2in1 Converter USB-C do USB-C + USB-A

OTG 2-in-1 USB-C to USB-C + USB-A adapter Mcdodo CA-2830.

The Mcdodo CA-2830 adapter is perfect for everyday use. It offers OTG function and allows you to connect external devices. It is compatible with devices from well-known brands and allows data transfer at 5 Gbps. With its help you can also quickly charge your devices. In turn, its solid construction ensures the durability of the product.

Various applications - wide compatibility

The Mcdodo CA-2830 adapter is distinguished by its USB-C to USB-C and USB-A interface, which translates into compatibility with devices from popular brands such as Apple, Huawei, Samsung and Xiaomi. Thanks to the OTG function, you can transfer files directly to the flash drive from your smartphone, making data management much easier. The adapter also allows you to connect a hard drive up to 2TB and a wireless mouse or keyboard via the USB receiver, enhancing your smartphone or tablet experience.

Fast and efficient

The Mcdodo CA-2830 adapter provides high-speed data transfer at 5 Gbps (USB 3.0) for lightning-fast file transfers. In addition, the PD60W's fast charging feature provides fast and efficient charging of compatible devices, which is especially useful for heavy use.

Durable design

Made of zinc and nylon alloy, the Mcdodo CA-2830 adapter is resistant to bending and damage, guaranteeing a long life. It weighs only 31 grams, making it lightweight and easy to carry. Its compact design makes it fit easily into a pocket or bag, making it an ideal travel companion.
