Protective back cover SUNNYLIFE for DJI Avata 2 (green)

Sunnylife protective case for DJI Avata 2 (green)

Are you looking for a solid protection for your DJI Avata 2 drone to keep it safe during flights? The Sunnylife protective case is the perfect solution to provide comprehensive protection for your DJI Avata 2 drone. With a special protective plate, it provides effective protection against scratches and impacts, especially during Turtle Mode. Made of durable plastic, the case effectively dampens the force of impact, protecting your drone from mechanical damage. Despite its robust design, it is extremely lightweight - it weighs only 10g, so you don't have to worry about additional weight for your drone.
