Naturehike mosquito repellent lamp NH22ZM005

Ref: 6927595709573

Naturehike NH22ZM005 mosquito repellent lamp.

With the Naturehike NH22ZM005 lamp, camping will become even more comfortable and safe. The device will not only illuminate your surroundings, but also effectively protect both you and your loved ones from mosquitoes. UV technology and electric shock, ensure you stay outdoors without uninvited guests. Up to 3 brightness levels will be at your disposal. Wireless design further enhances the convenience of use.

Effective protection against mosquitoes

Naturehike lamp uses UV light with a wavelength of 395nm, which effectively attracts mosquitoes. After approaching the device, insects are quickly eliminated with the help of high voltage. The operating range of the device is 30 sq. m - enough to protect the area around your tent or camping site.

Multifunctional lighting

The Naturehike device will not only repel mosquitoes, but also provide a functional light source. You can choose from 3 brightnesses, such as spotlight (200LM), high brightness (150LM) and low brightness (40LM). The ability to adjust the intensity of the light allows you to use the lamp both as an indoor tent light and as an outdoor light during evening activities.

Long runtime

The powerful 2000 mAh battery guarantees up to 20 hours of operation in low brightness mode and up to 10 hours in high brightness mode. Using the spotlight mode, you can enjoy the device for 8 hours, and in kill mosquito mode - for 20 hours. This means you don't have to worry about having to charge your device frequently during extended trips. The USB-C port allows you to conveniently renew power in about 4-5 hours.

Weatherproof

Thanks to its IP44 waterproof rating, the Naturehike lamp is resistant to splashes and light rainfall. The device is ideal for outdoor use. Note: however, avoid prolonged exposure to rain and direct contact with water.

Safety of use

The device can also be used by children over the age of 8 under adult supervision. Low voltage power ensures safe use. The device also does not generate nuisance noise. Enjoy a comfortable stay outdoors with Naturehike!
