Wired headphones for Kids OTL Peppa Pig Glitter (pink)

Wired headphones for kids OTL Pig Peppa with rainbow and glitter (pink)

OTL's wired headphones are the perfect gift for kids ages 3 to 7 who love Peppa Pig! Their rainbow and glitter headband will make any little fan or little fan of this adorable character feel like a star. They offer great sound quality while taking care of the little ones' hearing. Thanks to the universal 3.5mm jack connector, they can be used with all their favorite devices. They are perfect for remote learning, listening to music or movies or playing games!

Excellent sound quality

With advanced 30mm drivers and a wide frequency response of 20 Hz to 20 kHz, the headphones provide excellent sound that delivers every sound with unprecedented clarity and depth. What's more, the headphones limit the volume to a safe level of 85 dB, which protects children's delicate ears from excessive noise.

Comfort of use

The headphones are designed to provide maximum comfort even when worn for long periods of time. Thanks to the adjustable headband and ergonomic design, the headphones fit perfectly on the child's head without compressing the ears.
