

Interactive Dog Toy Cheerble Wickedbone

Interactive Dog Toy Cheerble Wickedbone

Ref: 6971883200006

The Cheerble Wickedbone Interactive Dog Toy

Wickedbone from Cheerble will work well for both indoor and outdoor play. You can control it with the app and choose between 3 modes. Made of polycarbonate, it is resistant to damage and safe for your pet. You can replace the sides of the toy with new ones if needed, you can also easily keep it clean.

Interactive and smart

The toy from Cheerble comes with 3 modes and 9 different movements that you can set through the app. All you have to do is pair your smartphone with the Wickedbone. There is also the option to combine movements, depending on your pet's needs. The app works with Android and iOS.

Durable

The toy is made of damage-resistant polycarbonate, it is also non-toxic and safe for pets. You can also replace the side parts with a different color. You can charge it with a USB cable. It only takes about 60 minutes for Wickedbone to be ready to work again.
