Mcdodo CA-8820 100W USB-C to USB-C cable, 1.2m (black)

Mcdodo CA-8820 100W USB-C to USB-C cable, 1.2m (black)

The Mcdodo CA-8820 cable is an ultra-powerful and durable USB-C to USB-C cable, offering 100 watts of power and a maximum current of 5 amps. It provides fast and safe charging thanks to the E-marker chip. In addition, the Velcro attached to the cable makes it easy to organize, preventing tangled wires.

Durable construction

Made of zinc and nylon alloy, the Mcdodo CA-8820 cable features high resistance to bending, wear and corrosion. It is unafraid of overheating and mechanical damage, ensuring safety during use.

Fast and safe charging

Thanks to the E-marker chip, the cable automatically adjusts the amperage to the connected device, guaranteeing fast and safe charging. In addition, the built-in display indicates the charging power in real time, allowing you to monitor the charging process in real time.

Wide compatibility

The Mcdodo CA-8820 cable is compatible with a wide range of devices equipped with a USB-C port, from laptops to smartphones, tablets

and gaming consoles. With 100 watts of power and support for fast charging, it is ideal for those who need a reliable and fast cable for everyday use.
