

## MOFII M5DM Wireless Mouse (Purple)

MOFII M5DM Wireless Mouse (Purple)

Ref: 6950125750622

MOFII M5DM Wireless Mouse (purple)

The MOFII M5DM wireless mouse provides quiet and efficient operation. Thanks to Bluetooth 4.0 technology and a wireless receiver, the device is compatible with a wide range of equipment and is perfect for both office and home use, providing convenience throughout the day. As an added bonus, the DPI can be adjusted in three levels.

Precision performance and energy saving

Precision optical sensor with adjustable sensitivity from 800 to 1600 DPI ensures smooth and accurate tracking of movements. Power-saving mode extends the battery life on a single battery, so you can use the mouse for longer periods of time.

Quiet operation - ideal for the office and home

MOFII M5DM mouse is equipped with four buttons that do not generate annoying noise. As a result, the device provides comfortable work without disturbing you and will prove reliable in both office and home environments.

Lightweight, ergonomic design

Thanks to its lightweight design (about 78 g), the mouse provides long-lasting comfort while working. Its ergonomic shape reduces pressure on fingers and wrists, which minimizes fatigue even during intensive use.

#### Two connection modes

The M5DM offers two connection options - via Bluetooth and via a wireless USB receiver (included). This makes the mouse compatible with tablets, smartphones, laptops and desktop computers. The device also supports various operating systems, such as Windows (8.0 and later), macOS (10.10 and later) and Android (4.3 and later).
