

MOFII Wireless Numeric Keypad X910 (Purple)

MOFII Wireless Numeric Keypad X910 (Purple)

Ref: 6950125750219

MOFII X910 wireless numeric keypad (purple)

MOFII X910 wireless numeric keypad will work well both in the office and at home. Thanks to 2.4GHz FSK technology, you can enjoy the freedom of working without cables. The device offers 18 keys and allows you to work at a distance of 6 to 10 meters from the receiver. As a result, it will meet the needs of those who need an additional numeric keypad for their laptop or computer.

Compact design and convenience of use

The MOFII X910 numeric keypad is designed with user convenience in mind. Its compact design (90 x 134.80 x 28.50 mm) makes it fit on any desk. Ergonomic design ensures comfortable work for a long time. In addition, the device is lightweight - its weight does not exceed 105±5 g (including battery), which allows for convenient carrying.

Performance and durability

MOFII X910 is characterized by high performance and durability. The force of the keys is 60±15 gf, which ensures precise and comfortable typing. The durability of the keys is up to 8 million cycles, so you can be sure that the device will serve you for a long time.

Reliable performance

RF technology ensures a stable wireless connection. One AAA battery is required to power the keyboard. The device is energy efficient

and consumes only 6.5 mA in working mode and only 0.06 mA in sleep mode.

Easy installation and wide compatibility

The MOFII X910 is extremely easy to install. Simply connect the USB receiver to your computer and the keyboard is ready for use. The device is compatible with Windows 2000, XP, ME, Vista, 7, 8, and 10.

Included:
