Waudog "NASA" dog muzzle size M

Have confidence that your pet is comfortable during any walk. Waudog muzzle in size M is made of elastic fabric that provides long-lasting comfort and allows your dog to breathe freely. The nylon webbing is exceptionally durable, and the plastic buckle with a zipper ensures extra security and stability, so the muzzle stays in place even during intense activity. Thanks to the interesting design, your four-legged friend will always stand out. The product will work well for dogs whose muzzle circumference is between 19 and 26 cm. The length of the strap is adjustable.
