

Memory Card Samsung SD PRO Plus MB-SD256SB/WW 256GB + reader

Ref: 8806094788013

Memory Card Samsung SD PRO Plus MB-SD256SB/WW 256GB + reader

Samsung SD PRO Plus MB-SD256SB/WW 256GB memory card + reader.

Whether you're a professional photographer, filmmaker or just need a reliable storage medium, the Samsung PRO Plus card will meet your needs. Its capacity is as much as 256GB, so you can easily fit all the photos, videos or documents you need. It also offers extremely fast reading and writing speeds, so your files will be available in no time. A USB reader is also included.

Large capacity

With a capacity of as much as 256 GB, you can enjoy a very large storage space for your data, photos, videos and documents. The card will easily hold up to 8 hours of 4K UHD quality recordings or more than 44,000 photos. This means it will work perfectly in conjunction with a sports camera, DSLR camera or car video recorder.

Impressive speed

With a read speed of 160 MB/s and a write speed of 120 MB/s, the Samsung PRO Plus card provides fast data access and exceptionally smooth file writing - it will meet the demands of even the most demanding users. The product also has a Class 10, UHS-I/U3 speed rating, which means it's perfect for 4K video recording and supporting advanced applications.

Protection at the highest level

The PRO Plus memory cards are designed to protect against a variety of threats. They can withstand up to 72 hours of immersion in seawater, extreme temperatures, X-ray scanning at airports and numerous drops. In addition, they are resistant to wear and tear and magnetic fields at levels equivalent to magnetic resonance.
