Gaming headphones Dareu EH406 Wired USB (Black)

Ref: 6950589916343

### Dareu EH406 Wired Headphones

Dareu EH406 are advanced wired headphones that combine high quality sound, comfort and modern design. With 50mm drivers, they provide clear, ear-pleasing sound, and their omnidirectional microphone allows for hassle-free communication. They are also distinguished by their lightweight, ergonomic design. All this makes them ideal for work or listening to music, as well as for playing games.

### Exceptional sound quality

The headphones are equipped with 50mm drivers that provide excellent sound quality. With a frequency response of 20 Hz to 20 kHz and an impedance of about 32Ω, they guarantee clear and crisp sound that will satisfy even the most demanding users. Whether you're listening to music or enjoying exciting adventures in your favorite game, the Dareu EH406 will provide you with an unforgettable experience.

### Comfort and ergonomics

The ergonomic design of the EH406 headphones and their light weight (340 g) make them comfortable even during prolonged use. In addition, the soft earcups provide comfort and do not cause unpleasant pressure, which is extremely important during long hours of gaming or at work. With Dareu you will forget about pain and fatigue!

#### High-quality microphone

Dareu EH406 are equipped with a high-quality microphone with omnidirectional characteristics, which ensures excellent voice capture from all directions. What's more, the driver's ENC noise cancellation support allows for clear and crisp communication, eliminating ambient noise. Talk freely with your friends on Discord or plan tactics for your next duel in your favorite online game - now you can be sure that your every word will be heard perfectly.

#### Colorful backlighting

The Dareu EH406 headphones feature striking backlighting with a choice of 7 colors. This makes them look exceptionally stylish and modern. They are the perfect addition to any gaming stand! Customize their appearance to your preferences and enjoy dynamic gameplay.

#### Compatibility

The EH406 headphones are compatible with Windows XP, 7, 8 and 10 operating systems, making them a universal tool for everyday work and entertainment. You can easily use them in conjunction with various devices, such as computers and laptops. It doesn't matter what equipment you usually use - Dareu will provide you with great sound quality in almost any situation.
