Etui Torras Guardian-Mag for the Samsung S24 Ultra (czarne)

Torras Guardian-Mag case for Samsung S24 Ultra (black)

The Torras Guardian-Mag case provides wide compatibility with magnetic accessories and guarantees the safety of your phone in all conditions. It also makes use of high-end magnets, enabling fast wireless charging.

Reliable protection

A triple airbag system provides protection against drops and shocks. In turn, reinforced edges and corners effectively absorb impacts, minimizing the risk of damage. With military-standard protection, you don't have to worry about the safety of your smartphone.

Sturdy magnets

Built-in magnets allow for stable attachment to car mounts, wallets or MagSafe stands, adding convenience to your daily phone use - both on the go and at home.

Refined design

The minimalist and elegant design of the case blends perfectly with the smartphone, emphasizing its visual qualities. Precise button cutouts allow smooth operation of the device. As you can see - every detail has been taken care of!
