

Case B&W Type 500 for Insta360 X3 (bronze-green)

Case B&W Type 500 for Insta360 X3 (bronze-green)

Ref: 4031541759832

B&W Type 500 case for Insta360 X3 (dark green)

Ensure the protection of your Insta360 X3 and accessories with the B&W case. With a foam insert, your camera will not get damaged or scratched, and the carefully thought-out design will allow you to conveniently organize your space. What's more, the case ensures safe transportation and is IP67 water and dust resistant.

Safe and comfortable transportation of your equipment

If you own an Insta360 X3 camera and need a suitable case to transport your equipment comfortably, the 500 model from B&W will be the perfect solution. The case is shockproof and resistant to damage, so you can safely transport your valuable device in it. In addition, it provides IP67-level water and dust protection. It is also resistant to a wide temperature range of -30°C to 80°C, so you don't have to worry about extreme weather conditions. What's more, the automatic pressure equalization valve allows you to transport it safely even if you're flying on an airplane.

Capacious

The B&W case provides a capacity of 2.3 liters, so you can comfortably place your camera inside, as well as the Invisible Selfie stick (70 cm) and charging base. Practical snap locks allow you to open and close the case easily.

Additional amenities

The B&W suitcase is convenient to transport thanks to a special handle. In addition, two 4.5mm padlock holes increase the security of your equipment, protecting it from unwanted access. A flexible foam insert allows you to customize the storage configuration to suit your needs.
