Deerma CF15W hair dryer

Now you can feel like in a hair salon in your own home. The Deerma CF15W hair dryer allows you to dry your hair quickly yet safely, it also offers 2 modes and 2 speeds to choose from. Its power reaches 1600-2000W. The device is extremely light and handy - you can easily take it on a trip. It also comes with a magnetic tip, which makes styling your hair easier.

Impressive performance

Experience that drying your hair doesn't have to take a long time at all. This hair dryer is high powered and operates at speeds of up to 18,000rpm. The device also has a built-in fan with 7 blades and can provide an airflow speed of up to 14m³/s. All this allows you to dry your hair in no time without risking damage.

2 modes and 2 speeds to choose from

Adjust the dryer action to suit your needs or hair type. The CF15W allows you to choose from 2 speed levels. It also offers 2 modes - hot air and cold air. It can make styling your hair and creating beautiful hairstyles much easier. Try out the available options and see which one best suits your needs!

Magnetic tip included

The kit includes a magnetic tip that can be rotated 360° at will. You can easily mount and dismount it. It makes styling hair easier and lifts it at the roots. It is equipped with 2-layer insulation, so you don't have to worry about getting burned.

Safety of use

The CF15W hair dryer is safe to use and will not damage your hair. It is equipped with an advanced temperature control system. If it exceeds a certain level, the device will automatically turn off. This effectively protects the dryer from overheating, and you can enjoy safe use.

Can accompany you on your travels

Going on vacation? Now you can easily take your hair dryer with you! The CF15W weighs only 0.47kg, which is lighter than a 0.5-litre bottle of water. And it's small enough to fit easily in your suitcase or travel bag. No longer do you have to sacrifice the ability to quickly and conveniently dry your hair while on the go!

Refined in every detail

The Deerma CF15W hair dryer has an ergonomic handle that fits comfortably in your hand and a 1.65m cord that allows you to move freely. Moreover, its carefully thought out design prevents your hair from getting tangled up in it. The device also looks really good and is resistant to wear and tear. The blue color and rose gold details give it a delightfully elegant character.
