Zeblaze Btalk 3 Pro Smartwatch (Gray)

Zeblaze Btalk 3 Pro is a lightweight and convenient smartwatch that can accompany you on your daily activities. It offers a large AMOLED Ultra HD display and allows you to make Bluetooth calls in Hi-Fi quality. There are also more than 100 sports modes at your disposal to make your workouts more effective.

AMOLED HD 1.43" display.

Enjoy the available functions and settings comfortably. The smartwatch uses a round AMOLED HD color display. It provides a resolution of 466 x 466 pixels and a brightness of 1000 nits. In addition, it supports Always-on Display, and with the available dial designs, you will customize its appearance to your liking.

Health monitoring

Have your hand on the pulse with the Zeblaze Btalk 3 Pro. The smartwatch monitors your heart rate around the clock, measuring your heart rate and blood saturation, so you can immediately respond to alarming symptoms. In addition, it tracks the length and quality of your sleep - with the Btalk 3 Pro you can easily eliminate bad habits and finally get a good night's sleep!

Set new goals

The smartwatch offers more than 100 sports modes - running, cycling, pilates - there is something for everyone. With the Btalk 3 Pro you can set new goals, increase the efficiency of your workouts and try your hand at new disciplines. The watch will also notify you of the number of calories burned, steps taken and distance traveled.

A number of useful features

Answer incoming calls with the watch and make Bluetooth calls in HiFi quality. The watch also allows you to use an offline voice assistant - a simple command is all it takes to turn on the function of your choice. In addition, you can check the weather forecast, enable Do Not Disturb mode or locate a lost smartphone/watch. With the Btalk 3 Pro there are plenty of interesting features waiting for you - discover them all!

Long working time

Don't waste time charging your smartwatch frequently. The watch has a durable 260 mAh lithium-polymer battery, so it provides about 14 days if you use basic functions. On the other hand, it lasts for about 7 days in heavy use mode, and stays in power-saving mode for 30 days. Charging the Btalk 3 Pro will take about 1.5 hours - a task made easier by the included magnetic cable with USB-A port.

Lightweight design

The smartwatch is the perfect companion for every day, whether you're on your way to a workout, meeting friends or working. Its minimalist design makes it go well with a variety of styles, adding a modern touch. With a light weight of less than 21.3 grams and a thickness of just 10.3 mm, you can wear it for a long time without feeling uncomfortable. In addition, the silicone strap is gentle on the skin and does not cause irritation, ensuring comfortable all-day wear.
