**BlitzWolf BM-CT1 open ear wireless headphones**

The BlitzMax BM-CT1 headphones are the perfect solution for active people who value comfort, sound quality and functionality. Thanks to their open-ear design with ear hooks, they offer a stable fit, making them ideal for running, gym workouts or everyday use. The headphones offer clear, deep sound and up to 50 hours of use on a single charge.

**Exceptional sound quality**

The headphones feature large 16.2mm drivers with a power amplifier that deliver powerful bass, a wide soundstage and clear sound. This makes every note sound unique, and you can enjoy the full, rich sound of your favorite songs.

**Sturdy and comfortable design**

The BlitzMax BM-CT1 headphones feature a triangular, stabilizing design that ensures a secure fit in the ear. With soft silicone ear hooks and an ultra-lightweight design weighing only 8.6 grams, the headphones are comfortable even when worn for long periods of time. Whether you're walking, running or jumping, the headphones will stay in place.

**Flexible in-ear fit**

With an improved 120-degree swivel design, the BlitzMax BM-CT1 easily fits most ear shapes. The flexible clip and curved design allow

you to adjust the angle of the headphones for a natural and comfortable fit in the ear.

#### Long runtime

Equipped with 50 mAh rechargeable batteries each, the headphones allow for 3-5 hours of music listening on a single charge. With a 400 mAh charging case, they provide a total of up to 50 hours of full musical experience. Fast charging allows another hour of playback after just 5 minutes (when the case has more than 40% energy).

#### Seamless pairing and water resistance

With the latest Bluetooth 5.3, the headphones offer fast and stable pairing with devices. They are also IPX5 water and sweat resistant, making them an ideal choice for intense workouts and outdoor activities.
