Ref: 6972860179797

3-slot charger box Telesin for GoPro Hero 9 / Hero 10 / 11/ 12 + 3 batteries (GP-BNC-902-B)

Box Telesin three-channel charger + 3 batteries for GoPro Hero 12 / 11 / 10 / 9 (GP-BNC-902-B).

Conveniently store and charge up to 3 batteries for GoPro Hero 9/10/11/12 at the same time? Now it's possible! The Telesin GP-BNC-902-B portable 3-channel charger surprises you with its performance and ensures safe use. It allows you to charge all 3 batteries in just 2.5 hours! Thanks to its improved design, it is simple and convenient to use and easy to transport. Information about the charging status will provide you with 3 color light indicators. You will also find 3 rechargeable batteries for GoPro Hero 9/10/11/12 by Telesin.

Conveniently store your accessories

Looking for a way to conveniently yet safely store your GoPro camera accessories? The Telesin charger will definitely come in handy for you! The product is designed in such a way that it can accommodate up to 3 batteries at the same time. You can also store 2 memory cards in it. This practical device will make it easier for you to stay organized and have useful accessories always at hand!

Fast charging of 3 batteries at the same time

With Telesin, your camera can be ready to work again in no time. The charger supports 2.4 A fast charging. This means that it allows you to charge all 3 batteries placed in it in just 2.5 hours! The device is equipped with a USB-C port. To connect it to a power source, you don't need additional adapters - just use the included cable!

You can easily check the charging status

You no longer have to wonder what the charging status of your batteries is. The Telesin charger is equipped with 3 color indicators that will provide you with the most important information. In standby mode, they glow blue. When they turn red, it means charging is in progress. Yellow indicates that the batteries are about to recharge, and green that they have already regained full power. All you have to do is take a look!

3 powerful batteries included

Record even longer and create lots of creative footage. In the set you will find up to 3 Telesin batteries, which are fully compatible with GoPro Hero 9, Hero 10, Hero 11 and Hero 12 cameras. Forget about pop-ups and errors! Now you can prepare your next original videos without worry. With Telesin you will gain confidence that your camera will not refuse to serve you at the least opportune moment!

Safety of use

The manufacturer has also taken care of the safety of use of the charger and the batteries placed in it. Among other things, the device has been protected against overvoltage, overcurrent, short circuit and overheating. Its housing is made of durable, fireproof material. Such comprehensive protection means you can charge your GoPro's batteries without worry!

Improved design

The charger has been designed to make you as comfortable as possible. It stands out for its incredibly pleasant texture, and thanks to its compact size, you can carry it with you at all times. You can easily fit it in your bag or backpack! Non-slip pads give the device stability, and the magnet-equipped lid makes it easy to open and close. What's more, the memory card compartments are made of durable silicone for safe storage.
