Smartwatch Joyroom JR-FC2 (Black)

Joyroom JR-FC2 smartwatch (black)

Joyroom JR-FC2 can become your personal assistant. The smartwatch offers more than 107 sports modes, allowing you to take care of your fitness. It also monitors heart rate, blood pressure and saturation, as well as stress levels. It is IP68 water resistant and can be safely submerged to a depth of 1 meter for about 30 minutes. It allows you to answer incoming calls, read notifications or launch a voice assistant. Access to settings and functions is offered by an easy-to-read Retina display, and a range of available dial designs will allow you to personalize the look of the smartwatch to your needs.

Large, easy-to-read display

The smartwatch is equipped with a 1.32" Retina display, providing convenient access to notifications and settings. What's more, you can personalize its appearance by choosing from 100+ dial designs. Customizing your settings will be made easy with the dial.

More than 107 sports modes

Joyroom JR-FC2 will let you take care of your fitness. The smartwatch offers more than 107 sports modes, including running, cycling, climbing, swimming and more. The smartwatch also records parameters such as blood pressure, blood saturation, heart rate and stress levels. This allows you to quickly respond to alarming symptoms.

Conveniently answer calls

Pair your smartphone with the watch via Bluetooth and conveniently make calls. The Joyroom JR-FC2 smartwatch lets you answer and reject incoming calls. The device also lets you make HD phone calls.

Quick access to apps and settings

Now you have access to the most important functions at your fingertips. The Joyroom JR-FC2 smart watch lets you use the voice assistant, check the weather forecast, read the news and new notifications. It also offers access to a menstrual calendar, a shutter button and take photos remotely or find your smartphone or smartwatch when you forgot where you put it.
