

## Gens ace G-Tech Soaring 4000mAh 14.8V 30C 4S1P Lipo Battery

Ref: 6928493309193

Gens ace G-Tech Soaring 4000mAh 14.8V 30C 4S1P Lipo Battery

Gens ace G-Tech Soaring 4000mAh 14.8V 30C 4S1P Lipo Battery

The Gens ace G-Tech Soaring LiPo battery is designed to power a wide range of RC models, including the 50E, 110E, Habu, Funjet, as well as various multi-rotors like hexacopters and octocopters. It offers a capacity of 4,000 mAh at 14.8V (4S), enabling long-lasting and stable operation even in the most demanding tasks. The 30C discharge current provides adequate power needed to maintain optimal performance in flight or during other applications, and the EC5 connector guarantees a secure connection and wide compatibility. What's more, the 376 g weight and 136 x 42 x 29.5 mm dimensions are optimized to ensure maximum performance without compromising the model's weight and maneuverability.

Manufacturer Gens ace Model GEA404S30E5GT Capacity 4000 mAh Voltage 14.8 V / 4S Discharge current 30C Charging speed 1-3C (recommended) Connector type EC5 Balancer connector type JST-XH Weight 376 g Dimensions 136 x 42 x 29.5 mm Cable length (C/D) 65 mm / 150 mm
