Gens ace G-Tech 25C 1000mAh 2S1P 7.4V Airsoft Gun Lipo Battery with T Plug Connector.

The Gens ace G-Tech battery pack is the perfect solution for airsoft enthusiasts who need a powerful power source in a compact form factor. Specifically designed for use in narrow spaces such as suppressor tubes or LE-type flasks used in M4 models - it offers an excellent balance between size and power. Its dimensions are 102 x 19 x 11 mm and it weighs just 50 grams, making it ideal for applications where space is limited but performance cannot be sacrificed. The lithium-polymer cell's 7.4V, 1,000mAh capacity provides constant power at a discharge rate of 25C, while the rugged T Plug connector and JST-XH balancer ensure safe and easy use.
