Multifunctional Stand iPega PG-P5S023 for PS5/PS5 Slim Black

iPega PG-P5S023 Multifunctional Stand for PS5/PS5 Slim Console (black).

Discover versatility and modernity with the iPega PG-P5S023 stand, designed for PS5 and PS5 Slim consoles. Innovative design and functional features make this stand a must-have accessory for any PlayStation 5 owner.

### Comprehensive space organization

The iPega PG-P5S023 stand allows you to perfectly organize your console, controllers and accessories. Equipped with a headphone holder, space for games and two dedicated slots for charging DualSense controllers, it provides convenience and order in one place. Thanks to the telescoping handle, the console is securely mounted, and additional cooling aids ventilation to prevent overheating.

### Charging and cooling in one

Two built-in charging ports allow you to charge two controllers at the same time, making them always ready to play. A specially designed cooling system with two fans ensures optimal airflow, keeping your console at the perfect temperature even during long gaming sessions. In addition, an LED indicator shows the charging status, making it easy to control the charging process.

### Elegant design and robust construction

The modern black design of the stand perfectly matches the aesthetics of the PS5, while high-quality materials ensure durability and

stability. The stand is also equipped with special anti-slip pads to protect your console and the surface it stands on.
