

## Replacement HEPA filters HOTO QWOGJ008 - 4 pieces

Replacement HEPA filters HOTO QWOGJ008 - 4 pieces

Ref: 6974370801588

HOTO QWOGJ008 Replacement HEPA Filters - 4 pieces.

HOTO QWOGJ008 Replacement HEPA Filters is a set of 4 durable and easy-to-use filters designed specifically for the HOTO handheld vacuum cleaner. Made of high-quality, durable plastic, the filters provide long-lasting performance and effective air filtration. Thanks to their clever design, they are easy to install and reuse, ensuring convenient and economical use. Their compact dimensions (1.44" long x 1.44" wide x 1.06" high) make them a perfect fit for your vacuum cleaner for optimal performance.
