

HUB 8in1 MOKiN USB-C VGA+2xHDMI (silver)

HUB 8in1 MOKiN USB-C VGA+2xHDMI (silver)

Ref: 6976301939001

MOKiN USB-C VGA+2xHDMI 8-in-1 HUB (silver).

Connect additional hardware to your laptop and enjoy more efficient work. The 8-in-1 Hub by MOKiN puts at your disposal two HDMI ports, a DP port, a VGA port, two USB-A 2.0 ports, a USB-C 2.0 port and a USB-C PD port. Among other things, this allows you to connect monitors, external drives and more! The device also allows for fast file transfers (up to 480 Mbps) and is very convenient to use.

Convenient file transfer

The device's USB-A and USB-C 2.0 ports allow you to transfer files at speeds of up to 480 Mbps. This allows you to copy all the necessary photos, documents, videos and more very quickly. Forget about the long wait and save time!

Fast charging

The hub also offers a USB-C PD port for fast charging. Its input power reaches 100 watts and output power reaches 87 watts. This will easily take care of a reliable power supply for your laptop - no more worrying about it refusing to serve you while you're working or at a crucial moment of gameplay!

Connect additional monitors

Thanks to the available HDMI, DP and VGA ports, you can connect from one to up to four additional monitors to your laptop. Such a

solution will be perfect for work, gaming, photo editing, video editing and more! Note: the hub is compatible with laptops equipped with Thunderbolt or USB-C ports with full support for all functions (data transfer, video display, charging).
