

## HUB 6in2 MOKiN USB-C for Macbook 3xUSB-A 1xUSB-C 1xSD/MicroS

Ref: 6976301939032

HUB 6in2 MOKiN USB-C for Macbook 3xUSB-A 1xUSB-C 1xSD/MicroSD (silver)

MOKiN 6-in-2 USB-C HUB for MacBook 3xUSB-A 1xUSB-C 1xSD/MicroSD (silver).

Expand the capabilities of your MacBook. The 6-in-2 hub from MOKiN offers ports such as USB-C Thunderbolt 3, SD/TF card slots, and three USB-A 3.0 slots. It allows you to transfer files at speeds of up to 40 Gbps and supports fast charging. The product also has a built-in advanced chip that is responsible for its safe and stable operation.

### Multifunctional Thunderbolt 3 port

An additional advantage of the device is the multifunctional Thunderbolt 3 port, which is perfect for various tasks. Using it, for example, you can transfer files at speeds of up to 40 Gbps or charge selected equipment with up to 100 watts of power. It also allows for video transfer. With MOKiN, you don't have to limit yourself!

### Fast data transfer

Do you often transfer photos or videos between devices? The MOKiN hub will allow you to streamline this process! The product's USB-A ports allow you to transfer data at speeds of up to 5 Gbps, so all the necessary files will be at their destination in no time. Long waits are a thing of the past!

### Compatibility with memory cards

The MOKiN Hub will also come in handy for photographers, graphic designers and video content creators. The device offers slots for SD and TF cards. It also allows reading and writing data at speeds of up to 104 MB/s. However, the possibilities do not end there. The hub can handle up to two cards simultaneously, which translates into even more efficient work!

#### Wide compatibility

The product is compatible with MacBook Air and Pro. It also works seamlessly with many popular devices, such as a computer mouse, keyboard, digital camera or external drive, for example. This makes it perfect for a variety of applications!
