

Display Stand Sunnylife for DJI Avata 2 / 1 Display Stand Sunnylife for DJI Avata 2 / 1

Sunnylife display stand for DJI Avata 2 / 1

The Sunnylife ZJ819 display stand is an ideal solution for owners of the DJI Avata 2 and DJI Avata drones. It is made of durable plastic and perfectly fits the shape of the device, providing it with a stable and solid support. The sturdy design ensures that the stand will not wobble or tip over, guaranteeing the complete safety of your equipment. What's more, thanks to the precise fit, all you need to do is gently place your drone on the stand. It's the perfect way to store and display it!
