Multi-use Magnetic Mount & Quick Handle Sunnylife for Insta360 X4

Sunnylife bracket and magnetic mount for Insta360 X4

The Sunnylife X4-ZJ827 Holder and Magnetic Mount is a versatile accessory designed specifically for users of the Insta360 X4, DJI Osmo Pocket 3 or Insta360 GO 3S cameras. Its functionality and innovative design make it ideal for mounting your device in various locations.

Security and stability

Equipped with 8 strong magnets, this mount provides a secure and stable attachment for your camera. This allows you to attach it to your car, motorcycle or other metal surfaces without worrying about it moving or falling. In addition, non-slip silicone pads further protect your equipment from scratches and guarantee its stability. Mounting the camera is very simple and fast - it is done with a ¼ inch screw.

Versatile application

Sunnylife X4-ZJ827 also acts as a convenient mount, and allows you to stably place the camera on a flat surface of your choice. It also allows you to charge the device in an upright position. What's more, the option to adjust the tilt of the accessory makes it easy for you to get the desired recording angle. But it doesn't stop there - thanks to its foldable design, the mount is easy to transport and easy to take on any trip.
