Silicone protective lens cover Sunnylife for Insta360 X4 (blue)

Sunnylife silicone lens cover for Insta360 X4 (blue)

The Sunnylife silicone lens cover is the perfect solution for Insta360 X4 camera owners who need extra protection for their equipment. Made of soft, durable and environmentally friendly silicone - it is easy to install and perfectly protects against shocks and impacts. Thanks to its clever design, it effectively dissipates heat, does not cover the microphone and is compatible with the original Insta360 X4 lens covers. So you can freely use it in almost any situation.
