Essager EXCTTL-WL0G-P USB-C to Lightning+USB-C 65W 1m (gray) USB cable.
The Essager cable offers USB-C to USB-C + Lightning connectors. With support for fast charging of up to 65W and the ability to transfer data at up to 480 Mbps, the accessory will allow you to get your equipment ready for further work in no time and transfer files efficiently.

Fast charging and high performance
With charging power of up to 65 watts, the cable allows you to charge your devices in no time. It takes only 1.5 hours to renew your MacBook Air's power to 100%. Forget about the long wait!

Multifunctionality
The unique design with two connectors (USB-C to USB-C and USB-C to Lightning) makes the product compatible with many devices, including smartphones, tablets and laptops. You no longer need to equip yourself with several cables. The USB 2.0 standard allows you to transfer data at speeds of up to 480 Mbps. This allows you to transfer files, videos or photos between devices in no time - transfer a 1GB file in just 30 seconds.

Durability and reliability
The cable is made of high-quality materials, including braided 24-strand PP fiber, which ensures not only an elegant appearance, but
