WAUDOG gradient nylon dog leash, length 122cm, purple

WAUDOG gradient nylon dog leash, length 122cm (purple).

Looking for a stylish yet durable leash for your dog? The WAUDOG leash is an excellent choice for any dog owner who appreciates both fashionable looks and functionality. The width of 25 mm provides a comfortable grip, and the length of 122 cm allows full control when walking with larger dog breeds. It is made of rPET material, which makes it exceptionally durable, and the titanium coating provides additional wear resistance, guaranteeing long-lasting use, even during intense walks.
