Waudog nylon dog leash, "NASA" pattern, 20 mm wide, 152-183 cm long

Waudog nylon dog leash, "NASA" pattern, 20 mm wide, 152-183 cm long.

WAUDOG leash with a space pattern is a product for people who want to combine reliability with a unique look, emphasizing the individuality of their dog and their own style. Made of high-quality nylon with a width of 25 mm, it is extremely durable and comfortable, providing full control over your pet during walks. Thanks to its sturdy metal hardware and nylon material, the leash is resistant to abrasion and heavy use, making it a reliable choice for years to come. Adjustable length from 152 cm to 183 cm allows you to adjust the leash to individual needs, providing both dog and owner with maximum comfort during walks. The NASA design, with motifs of astronauts, planets and stars, will add an extraordinary touch to any walk. The colors are fade-resistant, so the leash always looks new, even with daily use. It's ideal for owners who want to stand out from the crowd.
