Dog collar made of natural leather and recycled material with QR code Waudog size L, width 25 mm, brown

Dog collar in natural leather and recycled material with QR code Waudog size L, width 25 mm (brown).

WAUDOG collar is a combination of natural leather and recycled cotton, designed for the comfort of large dogs. Perfect for pets with a neck circumference of 38 cm to 49 cm, it provides a perfect fit and comfort during daily walks. With a width of 15 mm, the collar is lightweight and gentle, yet sturdy enough to meet the needs of large dog breeds.

Security with innovative QR code

The collar is equipped with a QR code that acts as a digital passport for your dog. If your dog gets lost, anyone can scan the code and access the most important information about the pet and the owner's contact, increasing the chances of getting your pet home quickly.
