WAUDOG natural leather dog leash 20 mm wide, 122 cm long Black

WAUDOG natural leather dog leash 20 mm wide, 122 cm long (black).

WAUDOG Classic leash is made of high-quality natural leather, which ensures its exceptional durability and comfort of use. Thanks to its precise workmanship, the product is characterized by long life and resistance to daily wear and tear. The natural leather was additionally coated with a thin layer of paint, which allows it to maintain its natural appearance, while increasing its resistance to damage.

Durable elements

The metal elements of the lanyard have been made of quality chrome plating, which ensures resistance to corrosion and prevents tarnishing, even after prolonged use. As a result, the lanyard remains aesthetically pleasing and functional for many years.

Ergonomic handle

The handle of the leash is made of solid plating, which significantly reduces friction and strain on the owner's hand during walks, providing a comfortable and secure grip, even with prolonged use.
