Colmi Stainless Steel Smartwatch Strap Black 22mm

Ref: 5906168432507

Colmi Stainless Steel Smartwatch Strap Black 22mm.

The stainless steel strap is the quintessence of elegant design and functionality. It features durability and a nice matte finish. Solid, flat links provide a modern look and comfortable all-day wear. The use of a snap-on mechanism ensures easy and quick donning and doffing, while the 22mm width makes the strap compatible with many smartwatch models. It will make your smartwatch a great addition to any style.
